引言

在您面前，您会看到一组由 Light 工作台制成的照片。由新能源制成的多彩整体。它们共同构成了个人目标，冥想，精神成长和意识提高的惊人能量矩阵。

这些照片是在轻巧的仪式上完成的任务，其中宇宙的精细材料能量与桌子上的图案有关。一个新的独特的力场以其自身的高度意识出现。

这很奇怪，但是在乘法（打印，影印，裁切，粘贴）过程中，较高的意识保持了与图像的联系。这样，每张新卡或照片都具有与原始卡相同的功能。

由于这些照片具有共同的特殊意识和力量，它们可以调到将要刷卡的人。他们照原样扫描能量并“知道”该系列中的哪张牌最适合翻转。

肉眼看不见的冲动从那张卡片发出能量。当您放松并排空头时，这种冲动可以确保您准确地拿到意识或卡片组为您选择的卡片。一种一般的无意识协作。

触发器和卡片之间的意识匹配，卡片本身在无意识的水平上提供了一个治疗场。

抓一张牌只是个快照，因为一旦进行了能量匹配，就可以实现目标。

如果您抽出一张牌，则很少发生这种情况。

查看或握住图像足以进行传输。然而，我们之所以成为人类，是因为不仅仅是看照片。这就是为什么您在本手册中获得特别清晰的解释的原因。

您是否想知道卡片的能量是否符合您的感觉？然后先写下您对卡片的体验，然后再查找含义。

希望您在使用此卡片组的过程中获得许多乐趣，光和洞察力。

您从哪里开始或如何开始？

您想要什么，这些卡可以做什么？您可以将这组卡用于不同的目的。在下面选择并继续在相关页面上阅读。

A. 使用符号

能源-饮用水-冥想 11

B. 脉轮

检测脉轮和/或光环阻塞 12

C. 躺卡

五角星形式 14

D. 主题

按主题排序卡片 16

E. 找到意义

抽奖或搜寻卡片 21

A. 使用符号

能源-饮用水-冥想

在卡上找到的符号表示它们特别适用于：

接收能量

安静地坐着，深吸一口气，直到感觉平静为止；您可以将带有太阳符号的卡片放在双手之间，心脏或额头上，以接收特定的高能量；

激活饮用水

将您的杯子或玻璃水瓶放在带有图像符号的图像上约5分钟，以便水可以“看到”图片；

幽思

原则上，您可以使用任何卡进行冥想。这有两种可能：

- 将卡洗净，然后像百合一样将其放在风扇中，百合朝上。直观地挑选一个。花时间看一下卡片，然后闭上眼睛，让能量引导您

冥想。然后阅读本手册中的说明。

- 查找手册中哪些卡带有冥想符号，然后使用其中一张。

B. 脉轮

检测脉轮和/或光环阻塞

首先考虑要跟踪并阻止这些卡。你画一张卡。每张具有“明亮”颜色的卡都符合最著名的脉轮颜色。柔和颜色的边缘与光环层中的振动相对应。

| | |
|---|-------------------------------|
|  | white 白色 第七光环场 |
|  | creamy-white 乳白色 冠脉轮 |
|  | light purple 浅紫色 第六光环场 |
|  | purple 紫色的 第六轮 |
|  | light blue 浅蓝色 第五光环场 |
|  | blue 蓝色的 第五轮 |
|  | light green 浅绿色 第四光环场 |
|  | green 绿色的 第四轮 |
|  | pale yellow 淡黄色 第三光环场 |
|  | yellow 黄色的 第三脉轮 |
|  | light orange 浅橙色 第二光环场 |
|  | orange 橙色 第二脉轮 |
|  | pink 小手指 第一光环场 |
|  | red 编 第一脉轮 |
|  | gray 灰色的 空灵的地球 |
|  | black 黑色的 大地 |

如果您不了解脉轮和光环，可以从 Google 或书籍中获取。您也可以通过以下方式在没有任何知识的情况下移动脉轮或能量光环：“格外注意”。

您可以将自己周围保持两周的脉轮或先兆振动的颜色增强动力。例如：您有一张红牌（首先是脉轮，然后穿了内衣和红色的袜子，在您附近放置了很多红色图像（桌面图像）和物体。如果两周后再次绘制相同的颜色，则能量提升不足，您将不得不应对脉轮或先兆振动。如果您绘制其他颜色，则您的努力足以使能量重新流动。

C. 躺卡

五角星形式

实际上，您会在所有小册子或预言卡和确认卡中找到一个示例，说明如何通过将卡放置成图案来向卡提出特定问题。这些示例中的大多数对于此集合都是有用的。

五角星是我推荐的一种特殊绑腿。用这种方式打牌的挑战是：“找出五个基本要素如何影响您”。

方法：将卡随机播放，然后将它们盲目地放在前面的风扇中。

抽出第一张牌（不要看）并将其盲目放在数字 1 或星号的顶部。抽出第二张卡片，并将其放在五角星的左侧（数字 2）。以相同的方式绘制其余的卡，以使您已将五张卡放置为星形。一张一张地转动它们，阅读每张卡的含义，以及以下说明。

1) 最高点代表精神.
卡的位置说明您与宇宙的联系.

2) 左下角代表地球.
这张卡片说明了您与地球的联系.

3) 右上角代表水.
一张影响情绪的卡片.

4) 左上角代表空气.
为了您的人生使命.

5) 右下角代表着火.
转换卡. 您可以利用这张卡的能量来释放不再为您服务的物品.

E. 找到意义

对于每本卡片，您都可以在本手册的说明（1至64）下面找到。

所有纸牌都会与有意识或无意识地在地下玩耍的事物产生共鸣。您与卡片一起开始治疗或强化领域。

不要害怕黑牌，幸运的是它的力量是积极的。

1. 黑色：Starsheed 连接

与明星大家庭的联系

该卡的能量位于地球深处. 关键词：黑暗，温暖与安全. 从这个安全的基础上，晶体形成了一个晶格，它与“星族”保持联系，并可以传递“家”的能量.

一个理想的卡片，用于思乡病，孤独或世上有困难的人.

2. 黑色：药轮

给您带来正能量

连接到地球上所有其他药轮的强大能量. 由于这些连接，它是一个强大的力量对象.

车轮神奇地为周围环境带来了积极的治愈能量.

基础建设

3. Black: Triangle

for peace and balance

The triangular shape. A combination of unity and duality, a trinity. A Mer-Ka-Ba in its center. On a black background this energy gives peace and a nice balance.

An energy that activates the connection to the source. Used for relaxation.

4. Black: Kundalini

Pushes the energy up

Because of the energy of this card, your energy spirals upward beyond the boundaries of time, space and matter.

With this energy a new flow is started. It sets you in motion to go to your original vibration and frequency, to who you really are.

Strongly acting on the forehead chakra.

5. Red: Flower of Life

*bringer of unity
consciousness*

A flower of life as a sacred geometric pattern that forms the basis for all life. This card is meant to bring unity consciousness into yourself, in a relationship, space or a house. This unity consciousness has a great healing effect.

6. Red: Goddess
*strength, wisdom
and detachment*

The moon goddess, or spiral, symbolizes a deepening in a life cycle. She stands for feminine power and wisdom. The energy is round and spherical and amazingly clear. This card helps you to let go of what you no longer serve.

7. Red: Archangel Samuel

for courage and protection

The energy of this card represents the characteristics of the angel Samuel. Samuel is known for his charismatic courage, decisiveness and professionalism. It is Archangel Samuel who offers you protection. You can put this card under your bed for a safer and better night's sleep.

8.Red: Double pyramid (Octahedron)

for safe alignment

The double pyramid touches ancient Egyptian memory fragments.

Old (wise) things are mirrored, processed and transformed.

With this card you receive a huge force field that works harmonizing and balancing.

9. Orange: Circle pentagram

keep your legs on the floor

A pentagram in a circle, where you are hit in the core. The pentagram is pre-eminently a symbol of man, who knows how to place himself in the right relationship to the infinite; 'With both feet on the floor.'

In this card the five elements are in balance and the energy of the card will lift you.

10. Orange: Speed (Triskel)

for acceleration of energy

The wheel of joy. A triskel turns like a whirlwind. The ends represent the three circles in life; life, death and rebirth. This card brings personal energy into acceleration, which looks like a time shift. You can use it to keep up with the changes or if things go too slowly.

Put this card on your workplace and you will be done with your work faster.

11. Orange: Wisdom
search for knowledge

The owl stands for ancient wisdom, the magic of the moon and freedom. Owls form a fabulous connection between the invisible (dark) world and the world of Light. This card indicates a search for knowledge and wisdom, the seed for development.

12. Orange: Balance
centering

The diamond shape forces energies, both high and low, to come into balance. This form ensures harmony and integration within the systems. Centering is the term that fits this card. Its energy brings calm, peace and balance.

13. Yellow: Labyrinth *points the way*

This labyrinth has the shape of a circle, the symbol of healing and wholeness. A labyrinth points the way through that circle (maze lets you get lost). Along the way you will meet the connection between the human and the Divine world, the transformation and the (re) birth. Meditation tip: enter the labyrinth with your finger at a slower pace and leave it even slower. The way, the movement is the goal.

14. Yellow: Scarab - **the holy beetle** *for the self-healing* *capacity*

A good luck charm that is connected to the Sun God. This is a symbol for resurrection, rebirth and renewal. He rolls all loose ends that waste energy together. You do need patience for that, because the energy of the holy beetle cleanses to the very highest levels. Once the energy is bundled, it can come back to life. This card also fuels the self-healing capacity in you.

**15. Yellow: Sun radar
(swastika)**
for productivity

The solar wheel has four winds, each with its own influence on consciousness. Turning clockwise it brings evolution. It is a symbol of strength and well-being. The energy of the solar wheel provides great productivity and promises a new phase in your life. Prepare yourself for this by cleaning up in the near future.

**16. Yellow: Circle of
connection**
for social contacts

This is a six-pointed solar wheel that is related to the flower of life (see card 5 red). The energy of this image touches the heart directly and connects with our brothers and sisters (whether on earth or not). It is a card that indicates a great social commitment, but also a cosmic membership of a sisterhood or brotherhood.

17. Green: The flora
contact with nature

Green stands for nature, creativity, but also for the stillness and surrender (one with nature). Nature gives peace and together with the energy of this card it touches you at the core, it makes higher spirituality possible. A meditation card for in nature.

18. Green: Stress release
to transform stress

The energy of this card brings an extra dimension through a rotating movement. She is a serene, warm energy and can reach great heights. By moving higher and higher in frequency, energetic tensions can be transformed.

19. Green: Alien code
to grow further

This formation ended up on earth as a crop circle through alien intelligence. It is a high frequency - not of this earth - vibration that only our subconscious understands. She helps us. We thereby grow to the higher vibrations.

20. Green: Path of life
for new possibilities

The impossible is possible. This card shows a diagram with multiple options, just as you come across on your life path. Whatever you choose, there is always a great end point. The energy helps you through the subconscious dare to take new paths. She gives you the courage to change.

21. Blue: Night sky
return of the light

The celestial arches on the card, which overlap just like in a kaleidoscope, announce the return of the Light. Blue is the color of intellectual and spiritual abilities. The infinity of the universe is mainly seen at night.

The energy from this card helps you experience the vastness of the universe.

22. Blue: Dolphin
for power and intuition

This card represents the primordial energy that is woven into our system. We often hear the ultrafrequency of the dolphins as a high beep in our ears. Dolphins bring us strength and help us to rely more on our own intuition. The card has a warm energy.

23. Blue: Watercrystal

The circulation of emotions

The spirit of the water is connected to the earth. Water is massive, powerful and yet soft. And represents love, relationships, sympathy, intuition and healing.

This card aims to circulate emotions to flow and clearing our ballast. Give the consciousness of water everything you no longer want.

24. Blue: The language of light

open crown chakra

This triangle is constructed according to the forms of sacred geometry. This creates a compact, strong energy without overwhelming. She opens the upper crown chakra for love and white Light.

25. Purper: Structure
*the aspiration of
perfection*

The middle of this card exerts a force of attraction and attracts you. Once you find yourself in the center, the consciousness grows and widens.
The new higher energy helps you ground perfection.

**26. Purper: The sun
wheel**

for safety

A historic sign to indicate a safe address. This solar wheel has 12 rays around the core. The energy of this card is full and safe, compact and sparkling at the same time. A card where it is safe to be happy and help you to grow in a gentle way.

27. Purper: Light dream

cooperation, unity

The crystals, all different in shape and structure, are bundled together into one powerful consciousness. They have one goal: to act as a model for cooperating elements, in order to achieve unity.

A card to promote cooperation.

28. Purper: Magnetism

to connect to the earth

This shape represents the circles and squares of human consciousness.

By making use of magnetism, this card has a grounding effect. It draws your consciousness to the earth. Earth represents health, it is a source of power for safety, family and home. For a comparison, view card 60 (light purple, consciousness growth), with a completely different effect.

**29. Creamy-white:
Hexagram (six-pointed
star)**

to take the right path

A hexagram is a six-pointed star polygon, consisting of two triangles pushed together. A magical expression of the number six was regarded by the ancient kabbalists as a symbol of perfection. You can achieve that perfection in the way of goodness, truth and justice. This card awakens the warmth in you that is needed to take the road to perfection.

**30. Creamy-white: Holy
Grail**

opening to another world

A mystical symbol. The grail is the opening to another world where love and a compact nurturing consciousness prevail. Once you have found the grail, cosmic dimensions open up at great heights.

31. Creamy-white: The Phoenix

passing on secrets of the Light

This symbol has to do with the secrets of the Light. If you have "drawn" this card, then you are ready to share the knowledge that you have gathered so far with others. Even though you think they don't understand you, the energy is unconsciously stored for a later time. You can use this card to find the power to spread this knowledge.

32. Creamy-white: Chakra line

A repairer of chakras

This removes blockages from the chakras. The energy goes like a vortex, calm and spinning. A kind of gentle wind. All main chakras are touched, broaden, cleaned and brought into balance again.

If you have drawn this card, it is advisable to cleanse yourself more energetically.

33. Gray: Tree of life
connection with "All that is"

Through the tree of life (for eternal fruit) we make a connection between humans and "All that is." This card shows that your search is not for nothing. The beautiful energy can be felt like a cosmic, wavy ocean. An energy that visits all corners of the cosmos with you, spatially yet structured.

34. Gray: Cube
(hexahedron)
pure energy

A sacred geometric shape, (platonic body) grand, spacious and powerful. Pure energy that can touch deeply. The energy helps you to establish firmness. Safe to sink away.

35. Gray: Rectangle
to be sure

This energy brings structure, sustainability and stability. When there is too great a need for certainty and fear of poverty, those beautiful qualities are overwhelmed by materialism. Once you have drawn this card, draw another card asking what the next step will be if you let go of the fear of poverty.

36. Gray: Selenite
for rapid change of consciousness

This triangle is a combination of a unity and a duality, a trinity. The selenite bars give this card an extra boost. This card unleashes forces within us that bring about rapid changes in consciousness.

37. Pink: Mer-Ka-Ba
our light vehicle

A Mer-Ka-Ba is built from light structures. It forms a light vehicle for our human consciousness. You can travel with it through time and space. It is a construction that connects us with our higher consciousness. The card supports our spiritual growth.

38. Pink: Ice crystal
a beautiful development path

Beauty radiates through this card. Every soul has chosen a path of development (his teacher) and beauty is one of them. The card not only shows beauty, it also gives space, is refreshing and has a high energy. Once you have drawn this card, surround yourself with beauty to grow.

39. Pink: Diamond mosaic

contact with the universal grid

Diamonds have a geometric shape; the octahedron.

Octahedra are the templates for the Light. The diamond energy radiates to us from the core of the Earth. We are diamonds! Our diamond light field is therefore the vehicle for making contact and gaining access to the universal grid, which also has a diamond structure.

A card to add structure to your energy field.

40. Pink: Wheel of fortune

for unexpected luck or major breakthrough

This card has eight spokes such as the wheel of fortune. Because of the high energy that has been added to this card, what is stuck is put back into motion.

The chance of a major breakthrough or unexpected happiness is stronger than ever.

41. Light orange:
Lotus
for more satisfaction

The Lotus with six leaves is connected to the second layer in the aura, the layer that is connected to the second chakra. Moving on at this level is indispensable to be satisfied with yourself and how you are now in life. The energy of the card can easily be sucked in to stimulate a satisfied feeling.

42. Light orange: Key
transition to another field
of consciousness

This key is the symbol for the transition from one field of consciousness to another. It is the journey to and opening up another dimension. The energy of this card is so subtle and barely perceptible. You can tell the effect from the peace that this card radiates. Meditate with this card and experience that gates are opening for you.

43. Light orange: Eye of Horus

to dare to see truths

The right eye, the solar eye, protects against evil forces. The person who is looking for the universal truth - the essence behind all truths - can only find it if he is able to see the world through the eye of Horus. Only then will he be able to recognize, experience and encounter the old information. The card is provided with a pleasant power to dare to look at those truths and to keep out evil elements.

44. Lightorange: Volcano

processing of unconscious matters

A volcano brings up what lies at the bottom. The energy from this card does the same. Matters that are stored in the subconscious are processed by this.

The card lets the energy "explode" or escape and occupy a larger space.

45. Pale yellow:
Golden section
Divine proportion

The golden ratio or divine proportion (the fibonacci series) is depicted on this card. It is a spiral pattern that is common in nature. The energy of this card extends to infinity. If you take this card between your hands and relax, your body can move with the spiral.

46. Pale yellow: White eagle
power card, clear up energy pollution

The totem animal the white eagle. He oversees everything from a great height and is able to push dark spots away with powerful white light. He picks up energy pollution through white rays. This is a very powerful (overwhelming) energy! To use when it is necessary to clean a lot of energetic impurities.

47. Pale yellow: Mask
puts a smile on your mouth

This card looks like a mask, behind which lies a beautiful energy. Many people do not realize how beautiful their energy is, this card mirrors them. A vibration that can put a smile on your mouth that will make you happy. An infinite energy that generates gratitude. It is best to put this card somewhere where you often see it.

48. Pale yellow:
Energetic medicine
to be used for healing activities

The card was inspired by a crop circle from 1997. This energy can be used for healing. It brings you into healing mode. It contains vibration formulas of the sacred teachings and practices of healing angels. This card is suitable for under a treatment table, or take it between your hands before you start treatment.

49. Light green:
**Expanding
consciousness**
to take up more space

Mystical systems describe God as a circle with an omnipresent center. This card consists of three circles (layers) with a Mer-Ka-Ba in the middle.

His energy amplifies the consciousness. It represents a new beginning, a journey, an apprenticeship and healing.

50. Light green:
Openness
growth potential

In ancient times, the symbol in the form of a moon stood for openness and security. The energy makes contact with new frequencies and has a high vibration. An energy to create something new with.

51. Light green: Square in circle
for fast growers

This shape represents the circles and squares of human consciousness. The energy of the fluorites on this card is fully present and pushes consciousness up.

With card 60 (light purple, awareness growth), you are kindly invited to grow. This energy does not wait with it, it just does it.

52. Light green: Centre to your heart
to your heart

On this card is a triangle with the point down. It is a water symbol in this way. The energy leads you through cosmic gates inward, to the safe center, to the heart. It is a serene energy that is slightly vibrating, almost invisible, and rather resembles a pulse.

A card to get into the heart.

53. Light blue:

Serenora lily

warm welcome to higher atmospheres

A lily is full of symbolism such as virginity, peace, resurrection, royal dignity and purity. The energy of Serenora is a swirling warm white energy that welcomes you to higher atmospheres, where the colors are predominantly virgin white and pure. A card that is suitable for placing under a treatment table.

54. Light blue: DNA (plasmid)

surrender

A circular closed DNA strand that can exchange information with higher ethereal DNA strands. Once the exchange has taken place, there will be a rest. This card indicates surrender to the cosmic Light and Divine wisdom. A card for alignment with the higher.

**55. Light blue:
Caduceus**

healing energy, combining counterparts

This old symbol stands for peace, protection, healing and, above all, for unity through the reconciliation of counterparts. The caduceus is a symbol for healers. The energy is powerful and connects heaven and earth.

Did you draw this card? Then ask yourself if there is a healer in you.

56. Light blue: Trap
captured energy

All energy is trapped in the trap. Beautiful elements that are meant to flow on earth. The crescent moon at the bottom keeps the energy trapped. Only by releasing the lower blockage can the energy flow out of the trap. If you hit this card, this energy helps you to release blockages that prevent you from flowing freely. Use card 57 (light purple, the violet flame) for burning released energies.

57. Light purple: Violet flame

powerful purifying effect

The violet flame is a cosmic energy with a strong purifying effect. It has been available for centuries for those who call it. In the violet flame you can burn energies that no longer serve you. Burning gives you strength, joy, ambition, inspiration and success.

The energy from this card invokes the flame to help you. In your mind, place a bowl in front of you and put everything in it that can go away, can go away or wants to leave and let the flame transform it.

58. Light purple: Pentacles 3

ability test

A card of growth. The three pentacles represent an aptitude test. It is a warm, yet powerful, supporting energy that you give this trial from love.

Are you in the middle of all sorts of complex Stay calm and draw a card to see what your next step might be.

59. Light purple: Heart
open the closed heart

This card makes you aware that your heart is not completely open to the cosmic energies. Why would you keep walking around with a closed heart?

The energy of this card cleans, so that cosmic energy can flow in from your crown into your heart.

60. Light purple:
Awareness growth
long term work

This shape represents the circles and squares of human consciousness.

It is a soft, friendly, almost woolly energy. It is absolutely not intrusive or dominant, rather inviting. This energy works in the long term to make you grow. Notice the difference with the comparable card 28 (purple, magnetism). Feel both cards in turn and then hold them together to receive the energy.

61

61. White: Light circle
connected with a white brotherhood

This is the energy we want to go to. Love, Light and purity. A wow feeling. These elements indicate priesthood and a covenant with a white brotherhood. Once in a distant past, you have had to deal with that, according to this card.

This is top-notch energy reserved for those who can handle this energy.

62

62. White: Cosmic knowledge
when energy flies in all directions

A pattern that is reminiscent of the Masons with their lost knowledge. Yet the wonderful thrill of this card reveals that it has a structuring effect. The back is straightened and made firm. Not only here, but also in many dimensions, because that this consciousness is connected.

63. White: Heavenly angelgate

*for highly sensitive people
(HSP)*

The triangles from this set open and form a staircase to the higher consciousness. You must be patient with this card. At first you would think that you feel nothing. Hold on a little longer, then a special vibration appears that can be perceived by highly sensitive people.

The energy of the angels flows through you, it is subtle and permanent in nature.

64. White: Dodecahedron

Home

Last good. The dodecahedron is the form of the highest consciousness; 'the essence'. If you reach with your mind from the heart to the end of your space - and there is an end -, you will find your dodecahedron, the end point of the geometry. From there you travel, as it were, home - home -. That can be in another solar system or in another universe.

Looking at it is enough for many to experience its power.
